Vicki Smith
Leadership Brentwood Board

Dear Leadership Brentwood applicant:

Thank you for your interest in Leadership Brentwood. The Steering Board is currently accepting applications for the upcoming year, and we hope you will complete and return the enclosed application before the **deadline of Wednesday, June 1, 2011**.

Leadership Brentwood provides a rich overview of life in our city and allows you to meet local decision-makers in a variety of fields, giving you an opportunity to learn more about the people making the decisions and information driving the decisions.

This year begins with an opening retreat at Deer Run Retreat Center on August 12-13. A professional facilitator leads the retreat that will introduce you to your 14 classmates, set goals for the year and engage everyone in team-building exercises. The class will meet on program days held the second Thursday of each month from September through February. The class year will conclude with a closing retreat and graduation in March 2012. See the enclosed application for event dates.

As a member of the Leadership Brentwood Class of 2012, you will be expected to participate in a small-group project. Your small group will require time in addition to the program days, and the time commitment will vary with the size and scope of your project. Examples of past small-group projects that are highly visible in our community include the Leadership Brentwood Room at the Brentwood Library and the disc golf course at Crockett Park. Other projects have been smaller in scale.

If you are one of the 15 leaders chosen for this year's class, we are confident that you will find the program to be both professionally and personally fulfilling and well worth the time and energy you invest in it. We hope you will choose to complete the enclosed application for the opportunity to be a part of the Leadership Brentwood Class of 2012. If you want to learn more about the program, please visit our website at www.LeadershipBrentwood.org, send me an email, or call Lynn Tucker at the Chamber office at 373-1595.

Sincerely,

Greg Lemon
Leadership Brentwood Steering Board Chair 2011-2012
